

MATERIAL DESCRIPTION

Coala Decor Walk is a 1300µ clear, slip resistant textured film. Coala Decor Walk is designed for medium to long-term floor applications depending on where the product is applied. It can be used on almost all surfaces as it will be delivered without self-adhesive rear and therefore easily applied on the floor. It is very resistant against wear and other influences provided that they result from common use of the product. Coala Decor Walk should be printed from the back, mirror image, with white layer. It can be used with the double sided tape Coala Floor Tape or without tape.

PRINTER & INK COMPATIBILITY

FILM THICKNESS

1300
µ

BENEFITS

- Simple application and removal
- Very robust
- Slip resistant: R10

DURABILITY

- The durability of Coala Decor Walk depends on the application, especially on the surface where it has been applied as well as the mechanical strain. Based on our experience we recommend a maximum use of 3 years.

APPLICATIONS

- Shop entrances
- Showrooms, car showrooms
- Museums
- Meeting points and events

SHELF LIFE STORAGE AND CONDITIONS

- 1 year stored at +15 to +24°C and relative humidity between 40% and 65%.

The following technical details are issued to the best of our knowledge, however, without any responsibility for results due to several different kinds of material and application processes. Therefore, we highly recommend that before every usage a test should be conducted on the original material. Antalis cannot be responsible for any damage to the printer caused by printing our media.
